

Did you or
someone you know
enroll in health care
coverage?

Do you or a
family member
fall in the
coverage gap?

By filling out this form, you will receive a call from someone at Georgians for a Healthy Future or the organization to whom you turned in this card. Your story will stay private unless you give us permission to share it.

Why do we need stories?

Because they help us put a human face on health care issues, which can help us work to make the system better for everyone. Sharing your story can help show other people just like you how important health care coverage is.
