The Marketplace offers two forms of financial assistance. One is called an Advanced Premium Tax Credit (APTC). Think of the APTC like a coupon that lowers the cost of your monthly health insurance premium. The second form of financial assistance is called Cost Sharing Reductions (CSRs). A CSR is a discount that lowers the amount you have to pay out-of-pocket for deductibles, coinsurance, and copayments. You may qualify for one or both if your income falls in the ranges below.
