

Application Guide

Here’s what you need to know about enrolling in coverage through the **Health Insurance Marketplace**:

Are You Eligible to Enroll?

You are eligible to buy coverage on the Health Insurance Marketplace if you:

- Are a US citizen or are legally present in the US;
- Are not currently in jail or prison;

Are You Eligible for Financial Assistance?

You may be eligible for help paying for your health insurance if you meet the criteria above **AND** you:

- Have a yearly household income that falls anywhere in the table below; **and**
- Are NOT offered health insurance through your job OR the health insurance that is offered is more than 9.5% of your yearly household income and/or it does not cover at least 60% of the cost of benefits (If you think this situation may apply to you, speak to your employer. You will need to show proof of what your employer’s plan costs and what it covers).*

You may get financial help if your income falls between these amounts.

Family Size	Income Range for Advanced Premium Tax Credit (2017)	Income range for APTC and Cost Sharing Reduction (2017)
Single Person	\$11,880 to \$47,520	\$11,880 to \$29,700
Family of 2	\$16,020 to \$64,080	\$16,020 to \$40,050
Family of 3	\$20,160 to \$80,640	\$20,160 to \$50,400
Family of 4	\$24,300 to \$97,200	\$24,300 to \$60,750
Family of 5	\$28,440 to \$113,760	\$28,440 to \$71,100

The Marketplace offers two forms of financial assistance. One is called an Advanced Premium Tax Credit (APTC). Think of the APTC like a coupon that lowers the cost of your monthly health insurance premium. The second form of financial assistance is called Cost Sharing Reductions (CSRs). A CSR is a discount that lowers the amount you have to pay out-of-pocket for deductibles, coinsurance, and copayments. You may qualify for one or both if your income falls in the ranges below.

* See the “Employer coverage and tax credits worksheet” for more information.
